ABOUT HABITAT VENTURA

At Habitat for Humanity of Ventura County, we build more than houses - we build opportunity, stability, and community. Together with families, volunteers, and supporters, we create affordable homeownership opportunities, provide free critical home repairs for local homeowners, and advocate for policies that expand access to affordable housing across Ventura County.

Through every hammer raised and heart invested, we're working side by side to build a community where everyone has a decent place to live.

Because there's no place like home.

EVENT DETAILS

We are celebrating our 40th Anniversary serving the Ventura community!

Enjoy a short film documenting the enchanting story behind Habitat Ventura's beginnings and growth to who we are today.

Throughout the evening we will share dinner, drinks, entertainment and live music in the heart of Ventura. And of course, we will fundraise together for our next 40 years through our silent and live auctions.

Celebrate with Us!

HOW DOES YOUR SPONSORSHIP HELP?

Your sponsorship increases our impact and ability to fund our homeownership, construction, and home repair programs. Your contribution empowers us to serve more families in Ventura County.

Since our start, Habitat Ventura has built 77 safe, decent, and affordable homes for 77 families. In Fiscal Year 2024 alone, we completed 46 critical health and safety home repairs to our senior, disabled, and veteran community members, and we are excited to complete at least 35 more this fiscal year.

Together, we make dreams of homeownership and safer living spaces a reality!
