How do I participate in the Playhouse Build Blitz?

We invite you to join our fifth annual Habitat Ventura Playhouse Build Blitz! Our Playhouse Build Blitz is a unique opportunity for multiple teams to work together to construct and decorate 25 children's playhouses, which are donated same-day to military, veteran, and first responder families with small children in Ventura County. We ask that your company, faith group, family, friends, or other organization get involved in Habitat Ventura's mission by sponsoring a playhouse and participating in this unique event! A list of all available sponsorship opportunities are below.

What is Habitat Ventura's Playhouse Build Blitz?

Sponsors and participants will build, paint, and decorate a total of 25 children's playhouses to a selected theme on the event day. At the end of the day, participants will get the opportunity to interact with the military and veteran families who arrive to pick up their completed playhouses. In many cases, the playhouses are a surprise to the children, and their reactions are priceless. Proceeds raised by the event will provide direct support for our programs that help our families build safe, affordable housing and critical home repairs in Ventura County.

What will Habitat Ventura provide?

- We will provide all basic paint and construction materials you will need: paint, paintbrushes, rollers, tools, protective paper/plastic, safety equipment, and cleaning supplies.
- We will provide skilled paint and construction leaders to assist any inexperienced volunteers.
- We will match you with a local military, veteran, or first responder family, and provide their theme and list of family interests that will help you design a one-of-a-kind playhouse, which will be given to the family at no cost! You will be notified of your family and theme a few weeks in advance so you can prepare your design plan.
- Special event t-shirts for you and your team on event day
- Lunch, snacks, and water are provided. If you have special dietary restrictions, please plan to bring your own meals.

What is my company or group expected to provide?

- For each playhouse you sponsor, you are asked to provide 6-8 volunteers to help paint and assemble.
- All volunteers should expect to stay from 8 am-2 pm. Playhouse families will be arriving at 1:30 pm, and we will take a group photo once all have arrived.
- If you want to bring additional stencils or other items that match your theme, you are welcome to! We recommend avoiding stickers and decals as they do not last well outdoors long-term. Also keep in mind that the disassembled playhouse walls will need to stack flat in the families' vehicles.

Habitat Ventura creates affordable homeownership opportunities and critical home repairs for our families so they can live healthier, happier lives. Over the past 40 years, we have built and sold 85 decent and affordable homes and completed over 400 critical health and safety repairs for families in Ventura County.

You can help us increase our impact by sponsoring our Playhouse Build Blitz. All proceeds raised by this event will support safe, decent, and affordable shelter for local individuals and families. Your investment also comes with promotional opportunities, which will allow you to expand your reach in the community.
