Habitat Young Professionals

All Hammers on Deck Cruise

Saturday June 8, 2019 • Ventura Harbor • 6:30 pm- 9:00 pm

An evening to support Habitat for Humanity of Ventura County's mission of creating a world where everyone has a safe, decent place to call home.

Dear Friends,

Habitat for Humanity works to create affordable homeownership opportunities so that low-income families can have a better, healthier, more financially stable life. Over the past 36 years, Habitat has repaired over 120 homes and built 70 decent and affordable homes in Ventura County. We are now raising funds for a development in Santa Paula, due to begin construction this year.

Join us as a sponsor for our 3rd annual All Hammers on Deck Cruise, organized by Habitat for Humanity's Young Professionals. All proceeds for this event will benefit the low-income families we serve in Ventura County. Your investment comes with promotional opportunities that allow you to expand your reach in the community as a Habitat Supporter. We invite you to attend, sponsor and be recognized as we celebrate an evening that will change lives and build a better community

Please consider how you can contribute and help build the next Habitat for Humanity home for a Ventura County family living in substandard housing.

Thank you for your help and consideration.

Mary Callaway
Marketing, Communication & Events Coordinator, Habitat for Humanity of Ventura County
