Together, we're building homes, communities and hope

Dear Friends,

Women Build is BACK in person! We invite you to join our Habitat Ventura Women Build event on May 21, 2022. Habitat Ventura Women Build brings women from all walks of life to address the housing crisis facing Ventura County women and families. Women Build encourages women to give back to their community while helping Habitat Ventura County make a difference in the lives of low-income families. Get involved with Women Build today!

This year, Women Build participants will be volunteering in a Habitat Home Repair build. Participants will assist low-income homeowners with much-needed repairs on their homes; building stairs, ramps, exterior painting, landscape and more! We will be volunteering at the Ventu Villa-Estates Mobile Home Park at 26 S Ventu Park Rd, Newbury Park, CA 91320.

We have another exciting sponsorship opportunity we're offering this year! Your group or company can sponsor a Habitat Playhouse on Women Build day. Participants will be asked to assemble and paint a children's playhouse to theme, and the completed playhouses will be donated to local military or veteran families with young children on the same day. See below for more information on a Playhouse Sponsorship.

All participants will enjoy a day of giving back to the community, presentations from Habitat staff, volunteers, board members and our partner families as we raise awareness of and funds for the challenges women face in accessing decent, affordable housing for themselves and their families. Habitat creates affordable homeownership opportunities for low-income families so they can live healthier, happier lives. Over the past 38 years, Habitat has built and sold 72 decent and affordable homes and completed over 180 critical health and safety repairs for low-income families in Ventura County.

You can help us increase our impact by sponsoring our Women Build 2022 event. All proceeds raised by this event will support safe, decent and affordable shelter for local individuals and families in need. Your investment also comes with promotional opportunities which will allow you to expand your reach in the community.

Thank you for your help and consideration,

Darcy Taylor
Chief Executive Officer
Habitat for Humanity of Ventura County
