# Together, we're building homes, communities and hope

Dear Friends,

We invite you to join our first annual Habitat Ventura Playhouse Build Blitz Event! Our Playhouse Build Blitz is a unique opportunity for multiple teams to work together to construct and decorate 25 children's playhouses, which are donated same-day to military and veteran families with small children in Ventura County.

Together, our Playhouse Build Blitz event will be an exciting, impactful day that your team will never forget! Sponsors and participants will be asked to build, paint and decorate a total of 25 children's playhouses to a selected theme on the event day. Habitat Ventura staff and volunteer leadership will be on hand all day to guide you and your team through the entire process. We will provide all the materials you need; paint, paintbrushes, rollers, tools, protective paper/plastic, safety equipment, and cleaning supplies. If you want to include stickers, decals, stencils, or exact colors in your design, you are welcome to bring those additional materials!

At the end of the build day, participants will get the opportunity to interact with the military and veteran families who arrive and receive their completed playhouses. In many cases, the playhouses are a surprise to the children, and their reactions are priceless. Proceeds raised by the event will provide direct support for our programs that help struggling families obtain safe, affordable housing in Ventura County.

We ask that your company, faith group, family, friends, or other organization get involved in Habitat's mission by sponsoring a playhouse and participate in this unique event day! Habitat Ventura will match you with a local military or veteran family, provide their theme and list of family interests that will help you design a one-of-a-kind playhouse that will be given to the family at no cost. A list of all available sponsorship opportunities is below.

Habitat creates affordable homeownership opportunities for low-income families so they can live healthier, happier lives. Over the past 38 years, Habitat has built and sold 72 decent and affordable homes and completed over 180 critical health and safety repairs for low-income families in Ventura County.

You can help us increase our impact by sponsoring our Playhouse Build Blitz Event. All proceeds raised by this event will support safe, decent and affordable shelter for local individuals and families in need. Your investment also comes with promotional opportunities which will allow you to expand your reach in the community.

Thank you for your help and consideration,

Darcy Taylor  
Chief Executive Officer
