Together, we're building homes, communities and hope

Dear Friends,

We invite you to join our Habitat Ventura Women Build event on April 1st, 2023. Habitat Ventura Women Build brings women from all walks of life to address the housing crisis facing Ventura County women and families. Women Build encourages women to give back to their community while helping Habitat Ventura County make a difference in the lives of low-income families. Get involved with Women Build today!

This year, Women Build participants will be volunteering in a Habitat Home Repair build. Participants will assist low-income homeowners with much-needed repairs on their homes; building stairs, ramps, exterior painting, landscape and more! We will be volunteering at the Casa Del Norte Mobile Home Park at 4388 Central Ave, Camarillo, CA 93010.

All participants will enjoy a day of giving back to the community, presentations from Habitat staff, volunteers, board members and our partner families as we raise awareness of and funds for the challenges women face in accessing decent, affordable housing for themselves and their families. Habitat creates affordable homeownership opportunities for low-income families so they can live healthier, happier lives. Over the past 40 years, Habitat has built and sold 77 decent and affordable homes and completed over 230+ critical health and safety repairs for low-income families in Ventura County.

You can help us increase our impact by sponsoring our Women Build 2023 event. All proceeds raised by this event will support safe, decent and affordable shelter for local individuals and families in need. Your investment also comes with promotional opportunities which will allow you to expand your reach in the community.

Thank you for your help and consideration,

Darcy Taylor
Chief Executive Officer
Habitat for Humanity of Ventura County
