

habitat home repair application

Thank you for your interest in Habitat for Humanity's **Habitat Home Repair Program**. Habitat for Humanity promotes dignity and independence for low-income homeowners by addressing critical health and safety needs within their homes.

Each family must meet **all** of Habitat's homeowner selection requirements:

1. Have a demonstrated need for critical health and safety repairs
2. Household gross income must be below 80% of the Area Median Income
3. Be willing to partner with Habitat for Humanity, volunteers, and the community in completing repairs on their home

This is an application for home repair service based on the three requirements mentioned above. Please complete all items. Items left blank or with no reply may deem this form as incomplete and may disqualify your request for home repair services. **Please note that funding for home repairs is limited and is not available in all locations. Habitat's ability to address your need is dependent on funding and project scope. Habitat does not do emergency repairs.**
