Together, we're building homes, communities and hope

Dear Friends,

Please join us for Habitat Ventura's Women Build on June 22, 2024! Habitat Ventura's Women Build brings women from all walks of life to address the housing crisis facing Ventura County women and families. Women Build encourages women to give back to their community while helping Habitat Ventura make a difference in the lives of low-income families. Get involved with Women Build today!

This year, Women Build participants will participate in a Habitat Home Repair project in Thousand Oaks, CA. Participants will assist several low-income homeowners with much-needed repairs on their homes, allowing them to remain in their homes safely and comfortably for the long term.

All participants will enjoy a day of giving back to the community, presentations from Habitat staff, volunteers, board members, and our partner families as we raise awareness of and funds for the challenges women face in accessing decent, affordable housing for themselves and their families. Habitat Ventura creates affordable homeownership opportunities for low-income families so they can live healthier, happier lives. Over the past 40 years, Habitat has built and sold 77 decent and affordable homes and completed over 305+ critical health and safety repairs for low-income families in Ventura County.

You can help us increase our impact by sponsoring our Women Build 2024 event. All proceeds raised by this event will support safe, decent, and affordable shelter for local individuals and families in need. In addition to participation in the event, your investment also comes with promotional opportunities which will allow you to expand your reach in the community.

Thank you for your help and consideration,

Darcy Taylor
Chief Executive Officer
