# **Appendix 1**Preapproval letter instructions

An applicant may work with any mortgage lender for a home loan.

A complete application will include a mortgage <u>pre-approval</u> to purchase an affordable unit at the Habitat Vista Campanario development. A firm pre-approval requires the lender to check credit and verify your documentation and income for a loan to purchase the home. The total loan amount is expected to be approximately \$227,500 assuming a 3% down payment and \$15,000 of additional down payment assistance potentially available for low income, first-time homebuyers.

If the lender assumes the applicant will be eligible for down payment assistance documentation must be provided to support this assumption. For example, the lender may have access to WISH funds for assistance.

This firm pre-approval letter and related documentation must be included with the application for the documentation to be considered complete. Construction of the home will take approximately 1 year and loan qualification must be maintained throughout the construction period.
